

Farm Tours and Emu Egg Collecting

The Emu Farm is located 11km from Kukerin on Kukerin South Road and Farm tours and emu egg collecting are available on request.

Visitors will be able to view, walk with and feed the emus in their enclosed but natural bush setting as well as tour the incubator and hatcher and collect emu eggs in season.

This is a unique experience that can be enjoyed by people of all ages with the opportunity to take photos and enjoy the natural surroundings.

Emu products including emu oil, cosmetics, soap and carved and non carved eggs are available to purchase. Tea, coffee, emu egg quiche and emu egg ginger cake are also available.
